ProSupport Plus Designated Service Account Manager (for customers with 500 ProSupport Plus entitled systems or more)

The ProSupport Plus designated SAM is a remote resource that provides a wide range of system, environmental and account management features and capabilities designed to reduce downtime and improve the overall support experience from Dell. To receive the Services provided by a Service Account Manager (SAM) (including, but not limited to ProSupport Plus SAM Reporting, described below) (the “SAM Services”), customers must i) have purchased 500 or more systems with active ProSupport Plus service contracts and be the registered owner of the corresponding Service Tags (as defined below), and ii) be properly on-boarded by Dell. The 500 tag threshold may be satisfied by any combination of existing entitlements to the Services described in this Service Description that have at least 90 days remaining on their existing warranty and service contract, and ProSupport Plus for Enterprise services that are or have been previously purchased for enterprise products, and that have at least 90 days remaining on the warranties and service contracts that correspond to those enterprise products. If at the time of the purchase of these Services, Customer does not currently meet the 500 system minimum threshold, Dell will monitor Customer’s subsequent purchases of the Services and ProSupport Plus for Enterprise services, and if the Customer subsequently meets or exceeds the 500 tag threshold, then the Customer will become eligible for SAM Services, and Dell will attempt to proactively contact Customer schedule SAM Services onboarding.

If Dell attempts to contact the Customer using the Customer’s contact information available in Dell’s sales and service records either at the time of the purchase of these Services, or at such later date when the Customer first meets or exceeds the 500 tag threshold, and Customer fails or refuses to respond or provide the information required by Dell to onboard the Customer to receive SAM Services, then Dell will have fulfilled its obligation to deliver the SAM Services under this Service Description. If Customer subsequently seeks to be on-boarded and receive SAM Services after Dell’s proactive attempt to onboard Customer is unsuccessful, Customer must contact Dell and request onboarding, and provide the information required by Dell. Customers who meet the 500 system threshold but subsequently fall below it will lose their entitlement to SAM Services 90 days after the date that Customer falls below the 500 system threshold if they have not purchased a sufficient number of additional service contracts for the Services or ProSupport Plus for Enterprise services in order to satisfy the minimum requirement of 500 ProSupport Plus entitled assets.

ProSupport Plus SAM Reporting

ProSupport Plus SAM Reporting provides information regarding the state of the Customer’s ProSupport Plus entitled environment. This SAM Reporting service is available for eligible customers with 500 or more ProSupport Plus entitled systems who qualify for SAM Services. Reporting reviews will be conducted by the SAM. By default, ProSupport Plus SAM Reporting is available on a monthly basis. The Customer may select to alter reporting frequency and has the option to receive reporting monthly, quarterly or on an ad-hoc basis. Ad-hoc or custom reporting requests may include additional costs.

Support Services Reporting consists of the following:

Monthly reporting: This feature includes standard global incident and warranty tracking reports of the Supported Products. The reports will be used by the Dell Service Account Manager (SAM) to provide trending analysis and identify opportunities for driving operational efficiencies in the Customer’s environment.

Standard incident report: Includes incidents by product, system age and date, time in severity level, time to close trend, business impact, and monthly activity rates.

Standard dispatch report: Includes dispatch rate and dispatches by top dispatched components, system age and date; and monthly activity rates.

Warranty tracking report: Includes total Supported Products by entitlement, product and hardware warranty and support expiration date.

Reporting Delivery for Authorized Dell Resellers and Customers Who Purchase via Authorized Dell Resellers:

ProSupport Plus SAM Reporting will be delivered by Dell to only one entity, either the authorized Dell Reseller or the end user Customer, not both. Dell will distribute ProSupport Plus SAM Reporting to the address and contact information provided to Dell at the time the Services were purchased, or else the contact information that is contained in Dell’s sales and service records at the time the Customer or authorized Dell Reseller met or exceeded the 500 system minimum threshold.

Option 1: Authorized Dell Reseller receives SAM Services and reporting: If Customer is an authorized Dell Reseller who has purchased the Supported Product and the Services with an intent to resell, but has not yet resold the Supported Product and Services, then the authorized Dell Reseller may receive the SAM Reporting if the authorized Dell Reseller has purchased more than 500 systems as described above. Please note that when the reporting is delivered to an authorized Dell Reseller it may not be categorized by specific end-user customers, and if Customer-segmented reporting by end-user account is required by the authorized Dell Reseller, it can be requested as custom reporting through the SAM at an additional cost.

Option 2: Channel Partner “End User Customer” receives reporting: This option is available if Customer has purchased 500 ProSupport Plus entitled PCs and/or ProSupport Plus for Enterprise entitled enterprise systems to Customer, and Customer provides the information required by Dell to onboard Customer. Customer’s authorized Dell Reseller must identify the assets that were re-sold, and complete the Tag Transfer process in order to change ownership of the systems to the new End User Customer (as described below in Section 4.G. of the Additional Terms and Conditions Applicable to Support & Warranty Related Services). Customer’s authorized Dell Reseller must provide the Customer’s SAM with new customer numbers and key contact information in order to validate entitlement and to on-board Customer separately.

Customers from these countries may also request their terms and conditions from their Dell Sales representative.

During the term of this Agreement and subject to the limitations in this Agreement, we will repair the Supported Product as necessary to correct any damage to the Supported Product which occurs during the usual and customary usage of the Supported Product and is caused by either accidental damage from handling (including drops and spills) or an electrical surge (the "Accidental Damage Service").

Only parts built in or on the base unit of the Supported Product, including parts or accessories that are required for regular operation of the base unit and shipped at point of sale, such as internal memory, built-in LCD, internal components/switches, built-in buttons, drawers, lids or panels, remote controls, or cables are covered by the Accidental Damage Service.

When the Accidental Damage Service is purchased for a desktop system, both the desktop and the monitor purchased with the desktop will be covered under the service contract. The Accidental Damage Service does not cover externally attached computers, peripherals, including, but not limited to printers, or other devices that may work in conjunction with the Supported Product, and this Accidental Damage Service does not cover components, cases, television or monitor wall mounts, wiring, or items classified as "accessories" or "consumables" and not built in or on the base unit of the Supported Product, such as batteries that are out of warranty, light bulbs, disposable/replaceable print/ink cartridges, print or photo paper, memory disks, memory cards, SIM cards, disposable memory devices, wire connections, carrying cases, stylus pens, docking stations, external modems, external speakers, game devices, game disks, secondary monitors, external mouse for notebooks, external keyboard for notebooks, or other input/output devices, any other components not internal to the Supported Product for which you purchased Service, or other parts/components requiring

regular user maintenance.

If we repair your Supported Product, you understand and agree that we may replace original parts with new or used parts from the original manufacturer, or an equivalent part from a different manufacturer to the extent allowed by applicable local law (and your consent for use of such parts may be requested at the time that you report an Accidental Damage Qualified Incident to Dell). Replacement parts will be functionally equivalent to the original parts. In our discretion, we may designate an affiliated company or contract with a third party to complete repairs on the Supported Product.

If we decide that it is necessary to replace the Supported Product rather than repair it, you will receive a Supported Product equivalent to or better than the Supported Product you originally purchased from us, as determined by us in our sole and reasonable discretion.

For any incident that Dell determines is eligible for Accidental Damage Service under this Agreement (an “Accidental Damage Qualified Incident”), Service coverage is limited to one Accidental Damage Qualified Incident per Supported Product per twelve (12) month period commencing from the start date of the term of Services. The ability to submit an incident does not accumulate or carry over to any subsequent twelve-month period, so that during any twelve months during the Term only one Accidental Damage Qualified Incident may be reported by Customer to Dell in order to obtain the Accidental Damage Service. However, each Accidental Damage Qualified Incident will be applied to the twelve-month period during which it is reported, even if such incident is resolved during a subsequent period. Once the Accidental Damage Qualified Incident limit is reached, Customer may request repair of the Supported Product for an additional charge.

This is not a contract for insurance. Please read this Agreement carefully, and please note that Dell reserves the right to change or modify any of the terms and conditions set forth in this Agreement at any time. Dell also reserves the right to determine whether and when any such changes apply to both existing and future Customers.

Service Response Level. When you request Service, you must allow Dell to evaluate the Supported Product to determine whether the product qualifies for Service. Dell's technical support agent will inform you of the options available to you to ship your Supported Product to Dell for evaluation and repair. As long as you follow our directions, as specified in the “Cooperate with Online Diagnosis, Phone Analyst and On-site Technician” section below, Dell will pay all shipping charges for return of the Supported Product to Dell's service facility. In some instances, Dell may make other evaluation and repair methods available to you as part of the Service. This Accidental Damage Service does not cover software. This software exclusion includes but is not limited to: 1) any defects in or damage (including without limitation virus-inflicted damage) to software preloaded on, purchased with or otherwise loaded on the Supported Product and 2) any software loaded through Custom Factory Integration. In addition, this Service does not cover any other items added through Custom Factory Integration. We will exercise reasonable efforts to, but this Agreement does not guarantee that we will, repair or replace non-software Custom Factory Integration items that may otherwise be excluded components.

Service Limitations. This Agreement does not cover and we are not obligated to repair or replace:

- Any damage to or defect in the Supported Product that is cosmetic. Under this Agreement, we are not obligated to repair wear and tear on the Supported Product and other superficial items, such as scratches and dents that do not materially impair your use of the Supported Product.
- Any Supported Product that anyone other than Dell or a person we designate has tried to repair. We will not provide Service for any product defect that results after repairs to the Supported Product made or attempted by you or any other person not authorized by Dell to repair the Supported Product.
- Any Supported Product that suffers damage in connection with or as a result of incorrect or inadequate Customer Installation. “Customer Installation” shall include any of the following performed by the Customer or any third party on behalf of the customer: (1) unpacking or moving the Supported Product (2) installation or mounting of a Supported Product to a wall or other structure (or removal of the same following installation) and (3) affixing of brackets or other weight bearing devices designed for mounting or attachment to a wall or other structure (or removal of the same). Customer Installation does not include installation services purchased from Dell.
- Any Supported Product that is lost or stolen. To receive repair or replacement of a Supported Product, you must return the damaged Supported Product to us in its entirety.

- Any Supported Product that is damaged by fire from an external source or that is intentionally damaged or damaged by misuse, abuse, failure to follow instructions provided with the Supported Product, or use of the Supported Product in an incorrect environment. - Except as specifically provided herein, any other damages that do not arise from defects in materials or workmanship or ordinary and customary usage of the covered Supported Product.

Additional Limitations for Service Purchased After the Purchase of the Supported Product. Where allowed by law, this Service may also be available for purchase after the date that Customer purchased a product. In those instances, the following conditions and limitations apply:

- Requests for service for the supported product cannot be presented until 30 days after the Service's purchase date, as indicated on customer's invoice, information page or other order confirmation; provided however, that the 30-day waiting period will not apply to customers who extend their service period prior to the expiration of the preceding service term
- Customer is responsible for ensuring that the Supported Product is in normal operating condition at the time Services (including the Accidental Damage Service) are purchased. Under no circumstances will Dell be responsible for Service for any damage or defect that existed prior to the Customer's purchase of the Service.
- Dell reserves the right to inspect the Supported Product to confirm that it is in normal operating condition. Dell may, for an additional charge, offer Customer repair options to return the underlying product to normal operating condition.
- If, upon inspection, Dell determines in its sole discretion that the damage or defect for the Supported Product existed before the Service was purchased, then the request for Service will be denied.

Keep Your Hard Drive

Keep Your Hard Drive Service (KYHD) allows Customers to retain possession of their failed hard drives (standard, Solid-State Drive (SSD) and Serial ATA (SATA) Hard Disk Drives (HDDs)) when receiving replacement hard drives pursuant to a Qualified KYHD Replacement. A "Qualified KYHD Replacement" is a repair and/or replacement arising from a defect(s) in workmanship occurring within the hardware warranty period applicable to Customer's Supported Product(s). All Qualified Repairs are provided pursuant to the terms of the Customer's limited hardware warranty or service agreement.

Supported Products: Keep Your Hard Drive Service is available with OptiPlex™, Precision™, Latitude™, (Dimension™), Venue™, Vostro™, XPS™, Alienware™, (Adamo™, Studio™), and Inspiron™ computer systems which are in a standard configuration. KYHD runs concurrently with the limited hardware warranty and is available on systems containing field-replaceable hard drives. Dell will only replace a failing hard drive that was purchased from Dell and installed in a Dell system, excluding items purchased through Dell's Software and Peripherals group, either at the time of system purchase or as a Customer kit and which is still under warranty. The KYHD Service will not be available to the Customer until a product is deemed eligible for a Qualified KYHD Replacement by Dell. Keep Your Hard Drive is not available on models with a soldered hard drive. Please consult your sales representative for more information.

Keep Your Hard Drive Support Procedures

Receiving Support: Customers should contact Dell technical support in accordance with the “How to Contact Dell” Section above when they experience a problem or suspect a hard drive failure. Customers will receive support in accordance with their applicable service level entitlement under this Agreement. If the technician determines that the hard drive requires a Qualified KYHD Replacement, Dell will ship the replacement hard drive to the Customer pursuant to Customer’s service level entitlement under this Agreement. This KYHD Service entitles Customer to retain possession of the failed drive.

In the event a Customer has purchased the Service, and includes or separately sends the hard drive from the Supported Product entitled to this Service to Dell as part of a Qualified KYHD Replacement, Customer agrees that their return of a hard drive entitled to this Service (a “Returned Entitled Drive”) constitutes a waiver of their right to receive the Service from Dell. After Dell receives a Returned Entitled Drive, Dell will have no further obligation to the Customer with respect to such Returned Entitled Drive. Dell will not under any circumstance be obligated to return a Returned Entitled Drive to Customer, nor will Dell be required to remove data or take any other action with respect to the Customer’s Returned Entitled Drive, nor any data stored on the Returned Entitled Drive. In the event that Dell receives a Returned Entitled Drive, Dell may process the Returned Entitled Drive in accordance with Dell’s standard policies as a hard drive returned to Dell pursuant to the terms of the Customer’s underlying warranty and service contract applicable to the Customer’s Supported Product.

Failure rates on hard drives are constantly monitored and Dell reserves the right to refuse service if Dell reasonably believes that the Customer is overusing the Keep Your Hard Drive Service (such as when Customer’s requests for replacement of defective hard drives materially exceeds the standard failure rates for the drive and system involved). If Dell determines (in Dell’s sole discretion) a Customer is abusing the Service Dell reserves the right to cancel the Service in accordance with the Cancellation terms below.

Keep Your Hard Drive Contract does not include:

- Repair or replacement. (Any repair or replacement support is provided pursuant to customer’s limited hardware warranty or service agreement.)
- Data destruction or data wipe.
- Asset recovery, disposal or recycling.
- Retention of hard drives that are subject to product recall due to health and safety risks. Non-standard hard drives requested as part of Dell Custom Factory Integration service.
- Support for failed/retained hard drives. (Support continues solely on the replacement hard drive pursuant to the applicable limited hardware warranty or service agreement.)
- Any activities not expressly stated in this Service Description. Replacement of a soldered hard drive

- **Provide Part Information.** Upon request, provide Dell the piece part identification information (“PPID”) or adequate detail to validate that a contract covered drive failure has occurred.

Collaborative Assistance

If a problem arises with certain third-party products and software commonly utilized in conjunction with Customer’s Supported Product, Dell will serve as a single point of contact, as set forth herein, until the problems are isolated and escalated to the third-party product vendor. Specifically, Dell will contact the third-party vendor and create a “problem incident” or “trouble ticket” on behalf of Customer, providing the necessary problem documentation. Once a vendor is engaged, Dell will monitor the problem resolution process and obtain status and resolution plans from the vendor until the vendor resolves the problem by either providing a resolution, steps towards a resolution, workaround, configuration changes, or escalation of a bug report. Upon the Customer’s request, Dell will initiate management escalation procedures within Dell and/or the vendor organization.

To be eligible for Collaborative assistance, Customer must have the appropriate active support agreements and entitlement with the respective third-party vendor. Once isolated and reported, the third-party vendor provides technical

support and resolution for Customer's problem. DELL WILL NOT BE RESPONSIBLE FOR THE PERFORMANCE OF OTHER VENDORS' PRODUCTS OR SERVICES.

Please note that supported third-party products may change at any time without notice to Customers.

Limits on Dell Comprehensive Software Support. Dell does not warrant that any particular software-related question will be resolved or that the Covered Software Product will produce any particular result. Situations giving rise to Customer's questions must be reproducible on a single system (i.e., one central processing unit with its workstation and other peripherals). Dell may conclude that a software issue is sufficiently complex or that Customer's Supported Product is of a nature that precludes effective analysis of the question through remote support. Customer understands and accepts that resolutions of certain issues giving rise to Customer's service request may not be available from the publisher of the relevant software title. Customer accepts that in such situations where no resolution is available from the publisher of the relevant software title, Dell's obligation to provide support to the Customer will be fully satisfied.

General Customer Responsibilities

Authority to Grant Access. Customer represents and warrants that it has obtained permission for both Customer and Dell to access and use the Supported Products, the data located thereon and all hardware and software components included therein, for the purpose of providing these Services. If Customer does not already have that permission, it is Customer's responsibility to obtain it, at Customer's expense, before Customer asks Dell to perform these Services.

Cooperate with Online Diagnosis, Phone Analyst and On-site Technician. Customer will cooperate with and follow the instructions given by any Dell remote support service, phone analyst or on-site technicians. Experience shows that most product problems and errors can be corrected remotely by closely following the remote diagnosis instructions or through close cooperation between the user and the analyst or technician.

On-site Obligations. Where Services require on-site performance, Customer will provide (at no cost to Dell) free, safe and sufficient access to Customer's facilities and the Supported Products, including ample working space, electricity, and a local telephone line. A monitor or display, a mouse (or pointing device), and a keyboard must also be provided (at no cost to Dell), if the product does not already include these items. An adult (whether Customer or Customer's authorized representative) must be present at all times during the service technician's visit.

Maintain Software and Serviced Releases. Customer will maintain software and Supported Products at Dell- specified minimum release levels or configurations as specified on www.support.dell.com for additional Supported Products. Customer must also ensure installation of remedial replacement parts, patches, software updates or subsequent releases as directed by Dell in order to keep the Supported Products eligible for this Service.

Data Backup; Removing Confidential Data. Customer will complete a backup of all existing data, software and programs on all affected products prior to and during the delivery of this Service. Customer should make regular backup copies of the data stored on all affected products as a precaution against possible failures, alterations, or loss of data. In addition, Customer is responsible for removing any confidential, proprietary, or personal information and any removable media such as SIM cards, CDs, or PC Cards regardless of whether an on-site technician is also providing assistance. DELL WILL HAVE NO LIABILITY FOR:

- - ANY OF YOUR CONFIDENTIAL, PROPRIETARY OR PERSONAL INFORMATION; LOST OR CORRUPTED DATA, PROGRAMS OR SOFTWARE;
 - DAMAGED OR LOST REMOVABLE MEDIA;
 - DATA OR VOICE CHARGES INCURRED AS A RESULT OF FAILING TO REMOVE ALL SIM CARDS OR OTHER REMOVABLE MEDIA INSIDE SUPPORTED PRODUCTS THAT ARE RETURNED TO DELL;
 - THE LOSS OF USE OF A SYSTEM OR NETWORK; AND/OR
 - FOR ANY ACTS OR OMISSIONS, INCLUDING NEGLIGENCE, BY DELL OR A THIRD-PARTY SERVICE PROVIDER.

Dell will not be responsible for the restoration or reinstallation of any programs or data. When returning a Supported Product or part thereof, Customer will only include the Supported Product or part which has been requested by Dell or the phone technician.

Additional Terms and Conditions Applicable to End Users Purchasing their Supported Product from an OEM. An “OEM” is a reseller who sells the Supported Products in a capacity as an original equipment manufacturer that is purchasing Dell Products and Services from the Dell OEM Solutions (or its successor) business group for an OEM project. An OEM typically embeds or bundles such Dell Products in or with OEM Customer’s proprietary hardware, software or other intellectual property, resulting in a specialized system or solution with industry or task-specific functionality (such system or solution an “OEM Solution”) and resells such OEM Solution under OEM’s own brand. With respect to OEMs, the term “Supported Products” includes Dell Supported Products that are provided without Dell branding (i.e. unbranded OEM-ready system), and “End-User” means you, or any entity purchasing an OEM Solution for its own end-use and not for reselling, distributing or sub-licensing to others. It is OEM’s responsibility to provide first level troubleshooting to the End User. An appropriate best-effort initial diagnosis should be performed by OEM before the call goes to Dell. This OEM maintains responsibility for providing the initial troubleshooting even when its End-User engages Dell to request service, and if an End User contacts Dell for service without contacting their OEM, Dell will ask the End User to contact their OEM to receive first level troubleshooting before contacting Dell.

Limitation of Liability. DELL’S TOTAL LIABILITY FOR ANY AND ALL CLAIMS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT (INCLUDING ANY SERVICES PROVIDED HEREUNDER) IN ANY 12-MONTH PERIOD SHALL NOT EXCEED THE TOTAL AMOUNT PAID BY CUSTOMER DURING THE PRIOR 12 MONTHS OF THIS AGREEMENT FOR THE SERVICE FOR EACH SUPPORTED PRODUCT GIVING RISE TO SUCH CLAIM(S).

THESE LIMITATIONS, EXCLUSIONS AND DISCLAIMERS SHALL APPLY TO ALL CLAIMS FOR DAMAGES, WHETHER BASED IN CONTRACT, WARRANTY, STRICT LIABILITY, NEGLIGENCE, TORT OR OTHERWISE. THE PARTIES AGREE THAT THESE LIMITATIONS OF LIABILITY ARE AGREED ALLOCATIONS OF RISK CONSTITUTING IN PART THE CONSIDERATION FOR DELL’S SALE OF PRODUCTS, SOFTWARE OR SERVICES TO CUSTOMER, AND SUCH LIMITATIONS WILL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY AND EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LIABILITIES. NEITHER DELL NOR ITS AFFILIATES, NOR THEIR RESPECTIVE PARTNERS, OFFICERS, DIRECTORS, EMPLOYEES OR AGENTS ARE LIABLE TO YOU, OR ANY SUBSEQUENT OWNER OR OTHER USER OF THE SUPPORTED PRODUCT, FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LIABILITY OR DAMAGES FOR THE SUPPORTED PRODUCT NOT BEING AVAILABLE FOR USE, LOSS OR CORRUPTION OF DATA OR SOFTWARE, PERSONAL INJURY, DEATH, OTHER INDIRECT LOSS DUE TO SUPPORTED PRODUCT FAILURE, OR ANY AND ALL INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE SUPPORTED PRODUCT, EVEN IF YOU HAVE ADVISED DELL OF THE POSSIBILITY OF SUCH DAMAGES. NEITHER PARTY SHALL HAVE LIABILITY FOR THE FOLLOWING: (1) LOSS OF REVENUE, INCOME, PROFIT OR SAVINGS; (2) LOST OR CORRUPTED DATA OR SOFTWARE, LOSS OF USE OF A SYSTEM OR NETWORK OR THE RECOVERY OF SUCH; (3) LOSS OF BUSINESS OPPORTUNITY; (4) BUSINESS INTERRUPTION OR DOWNTIME; OR (5) DELIVERABLES, DELL PRODUCTS OR THIRD-PARTY PRODUCTS NOT BEING AVAILABLE FOR USE. BY ENTERING INTO THIS AGREEMENT, YOU EXPRESSLY WAIVE ANY CLAIMS DESCRIBED IN THIS PARAGRAPH. YOU AGREE AND UNDERSTAND THAT DELL WILL NOT BE RESPONSIBLE FOR ANY AMOUNT OF DAMAGES ABOVE THE AGGREGATE DOLLAR AMOUNT PAID BY YOU FOR THE PURCHASE OF THIS SERVICE FOR EACH SUPPORTED PRODUCT COVERED BY THIS AGREEMENT. SOME STATES AND JURISDICTIONS DO NOT ALLOW TOTAL OR PARTIAL EXCLUSION OR LIMITATION OF ANY DAMAGES OR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO SOME OR ALL OF THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. BUT IN SUCH CASES, THIS CLAUSE SHALL BE INTERPRETED AS TO EXONERATE OR LIMIT LIABILITY AS EXTENSIVELY AS PERMITTED BY APPLICABLE LAW.

Third Party Warranties. These Services may require Dell to access hardware or software that is not manufactured by Dell. Some manufacturers’ warranties may become void if Dell or anyone else other than the manufacturer works on the hardware or software. Customer will ensure that Dell’s performance of Services will not affect such warranties or, if it does, that the effect will be acceptable to Customer. Dell does not take responsibility for third party warranties or for any effect that the Services may have on those warranties.

Additional Terms & Conditions Applicable to Support & Warranty Related Services

1. Supported Products

This Service is available on Supported Products which includes select Dell OptiPlex™, Latitude™, Venue™, Inspiron™, XPS™, Alienware™, Chromebooks™, Precision™ and Vostro™ systems which are purchased in a standard configuration, ("Supported Products"). Supported Products are added regularly, so please contact your Dell sales representative for the most up-to-date list of Services that are available on your Dell or non-Dell products.

Each Dell Supported Product is tagged with a serial number (the "Service Tag"). A separate service agreement must be purchased by Customer for each Supported Product. For example, a printer purchased with a laptop is not covered by the laptop's service contract; the printer and the laptop will each need their own service contract. Please refer to the Service Tag on your Supported Product when contacting Dell for this Service.

2. Support services

- A. **Limited Hardware Warranty.** Support-related services pursuant to a Qualified Incident on Supported Products may include technical support options (remote, telephone, Internet, etc.) and service parts and related labor services to repair or replace defect(s) in workmanship pursuant to and occurring within the limited warranty period applicable to Customer's Supported Product(s). Dell's Limited Hardware Warranty is available for review at www.Dell.com/Warranty or posted outside of the United States at your regional Dell.com website. Additional state-specific terms and conditions related to Consumer purchasers are included in the State-Specific Provisions in [Exhibit A](#) below.
- B. **Hardware Coverage Restrictions.** Hardware coverage limitations may apply, and service offerings may be available to extend these hardware limitations for an additional fee. Please see www.Dell.com/Warranty for warranty information or contact a Dell technical support analyst for more details.
- C. **Whole Unit Replacement; Failure to Return.** If Dell determines that a part or component of the defective Supported Product is one that is easily

disconnected and reconnected (such as a keyboard or monitor), or if Dell determines that the Supported Product is one that should be replaced as a whole unit, Dell reserves the right to send Customer a whole replacement unit. All Dell service parts or components removed from the Supported Product and any original products for which customer received a replacement product become the property of Dell. If a Dell delivers a replacement part, component, or product to Customer, Customer must relinquish the defective item to Dell, other than a hard drive retained pursuant to the Keep Your Hard Drive service terms for the affected system in which case Customer may retain the respective hard drive(s). If Customer does not relinquish the defective item to Dell as required above, or if (in the event the replacement unit was not delivered in person by a Dell technician) the defective unit is not returned within ten (10) days, Customer agrees to pay Dell for the replacement unit upon receipt of invoice. **IF YOU FAIL TO PAY DELL FOR ANY PART, COMPONENT, OR PRODUCT, THEN DELL MAY CANCEL THIS AGREEMENT, SUSPEND YOUR WARRANTY AND/OR SERVICE SUPPORT ON ANY DELL PRODUCT YOU MAY OWN UNTIL THE APPLICABLE AMOUNT IS PAID, AND/OR TAKE OTHER LEGAL STEPS.** A suspension of warranty or service for failure to properly return a part, component, or product will not toll the term of your warranty.

- D. **Parts Stocked.** Dell currently stocks parts in various locations throughout the world. Selected parts may not be stocked in the location closest to a Customer's site. If a part that is needed to repair the Supported Product is not available from a Dell facility near the Customer's location and must be transferred from another facility, it will be shipped as soon as is practical and commercially reasonable.
 - E. **Service Parts.** Dell uses and Customer expressly authorizes the use of new and reconditioned parts made by various manufacturers in performing warranty repairs.
- ### 3. Term of Service.
- This Service Description commences on the date listed on your Order Documentation and continues through the term ("Term") indicated on the Order Documentation. As applicable, the number of systems, products, licenses, installations, deployments, managed end points or end users for which Customer has purchased any one or more Services, the rate or price, and the applicable Term for each Service is indicated on Customer's Order Documentation or other mutually-agreed upon form of invoice, order acknowledgment or purchase order. Unless otherwise agreed in writing between Dell

and Customer, purchases of Services under this Agreement shall be solely for Customer's own internal use and not for resale or service bureau purposes.

4. Important Additional Information

- A. **Rescheduling.** Once this service has been scheduled, any changes to the schedule must occur at least 8 calendar days prior to the schedule date. If Customer reschedules this service within 7 days or less prior to the schedule date, there will be a rescheduling fee not to exceed 25% of Dell's then-current sales price for the services. Customer agrees that any rescheduling of the service will be confirmed at least 8 days prior to commencement of the service.
- B. **Commercially Reasonable Limits to Scope of service.** Dell may refuse to provide Services if, in its opinion, providing the Services creates an unreasonable risk to Dell or Dell's Service providers or is beyond the scope of Services. Dell is not liable for any failure or delay in performance due to any cause beyond its control. Service extends only to uses for which the Supported Product was designed.
- C. **Optional Services.** Optional services (including point-of-need support, installation, consulting, managed, and professional, support or training services) may be available for purchase from Dell and will vary by Customer location. Optional services may require a separate agreement with Dell. In the absence of such agreement, optional services are provided pursuant to this Agreement.
- D. **Recording Calls.** In carrying out its obligations, Dell, or its third-party sub-contractors, may at its discretion and solely for the purposes of monitoring the quality of Dell's response, record part or all of the calls between you and Dell. **By utilizing these Services, you consent to have your calls with Dell or its third-party subcontractors monitored or recorded.**
- E. **Cancellation.** Cancellation terms for Consumer customers are included in [Exhibit A](#).

For all other customers, Dell may cancel this Service at any time during the Service term for any of the following reasons:

Customer fails to pay the total price for this Service in accordance with the invoice terms;

Customer is abusive, threatening, or refuses to cooperate with the assisting analyst or on-site technician; or

Customer fails to abide by all of the terms and conditions set forth in this Service Description.

If Dell cancels this Service, Dell will send Customer written notice of cancellation at the address indicated on Customer's invoice. The notice will include the reason for cancellation and the effective date of cancellation, which will be not less than ten (10) days from the date Dell sends notice of cancellation to Customer, unless state law requires other cancellation provisions that may not be varied by agreement. If Dell cancels this service pursuant to this paragraph, Customer shall not be entitled to any refund of fees paid or due to Dell.

If you purchased this service from a seller other than Dell, please see your sales receipt or other sales documentation for return policy, and please visit your original place of purchase for returns, cancellations, or refunds.

- F. **Geographic Limitations and Relocation.** This Service will be delivered to the site(s) indicated on the Customer's invoice. This Service is not available at all locations. Service options, including service levels, technical support hours, and on-site response times will vary by geography and configuration, and certain options may not be available for purchase in Customer's location, so please contact a sales representative for these details. Support outside of the country in which Customer purchased this Service (e.g., while Customer is traveling) may be available on a commercially reasonable efforts basis (e.g., not available in all countries, not available on all parts, not available to all Customers). Dell's obligation to supply the Services to relocated Supported Products is subject to local service availability and may be subject to additional fees, and to inspection and recertification of the relocated Supported Products at Dell's then current time and materials consulting rates. - G. **Transfer of Service.** Subject to the limitations set forth in this Service Description, Customer may transfer this Service to a third party who purchases

Customer's entire Supported Product before the expiration of the then-current service term, provided Customer is the original purchaser of the Supported Product and this Service, or Customer purchased the Supported Product and this Service from its original owner (or a previous transferee) and complied with all the transfer procedures available at www.support.dell.com. A transfer fee may apply. Please note that if Customer or Customer's transferee moves the Supported Product to a geographic location in which this Service is not available (or is not available at the same price) as Customer paid for this Service, Customer may not have coverage or may incur an additional charge to maintain the same categories of support coverage at the new location. If Customer chooses not to pay such additional charges, Customer's Service may be automatically changed to categories of support which are available at such price or a lesser price in such new location with no refund available.
