MUSIC SCHOLARSHIPS

2023

ENQUIRIES

The Director of Music will be happy to provide further information or advice, and can be reached at Bishops, Tel: 021 659-1036, Email: jwrensch@bishops.org.za

ENTRIES

This completed application form as well as the copies of the pieces and a scales syllabus should be submitted to: The Director of Music, Bishops, 65 Camp Ground Road, Rondebosch, 7700 by Tuesday, 22nd March 2022, by hand or Email: jwrensch@bishops.org.za

VALUE

The scholarships are worth between 10% and 70% of the academic school fees. Music scholarships also cover the cost of music tuition on up to two instruments.

ELIGIBILITY

Candidates wishing to enrol in Grade 8 in 2023 at Bishops and who have achieved a high standard of performance of at least a Grade 4 level (Royal Schools, Trinity, UNISA) on any recognised musical instrument (other than recorder) are eligible for the scholarship.

EXPECTATIONS

The successful candidates will be required to take an active part in the varied musical life at the school and would be expected to take music as a matriculation subject. While all Bishops boys are expected to take part in the full offering at Bishops (Academic, Sport and Cultural), it will be expected that boys on a Music Scholarship will significantly prioritise their musical involvement. They will be expected to achieve a high level on their instruments and be fully involved in the musical life of College through exams (internal and external), eisteddfods (internal and external) and taking an active role in the ensemble programme.

While successful candidates will benefit from the scholarship for the remainder of their schooling at Bishops up to Matriculation level, the awards are reviewed annually and the school has the right to withdraw scholarship privileges if it is felt that their musical or academic performance or contribution at Bishops is below that which is required. *Recipients of Bishops Music Scholarships are required to have their instrumental lessons with Bishops music staff.*

AUDITION PROCESS

PART 1 will take place at Bishops on Thursday, 21st April 2022, where all candidates will be required to play a quick study on their first instrument. A brief introduction session will explain the requirements thereof, after which candidates will have 45 mins to prepare the quick study, without any external help. The quick study will then be performed to the scholarship panel. Thereafter they will write a theory assessment test. Times of the above will be confirmed in due course, but usually this begins around lunch time.

PART 2 will take place in front of a selection panel at Bishops on Friday, 22nd April 2022 (times to be confirmed). Candidates will be required to:

- Perform three pieces in contrasting styles which reveal their musicianship and technical ability. Candidates who play a second instrument (or take voice as their second instrument) should be prepared to perform their third piece on that instrument.
- Play a piece of sight-reading on their first instrument at the level of the pieces being presented.
- Play a scales test on their first instrument. A complete scales list from a recognised examination board (Royal Schools, Trinity, UNISA) must be offered at a minimum of Grade 4 level, and these must be played from memory.
- Undertake a short aural test, as well as answer questions of a general musical nature.
 - Copies of ALL music to be performed at the Scholarship audition should be *submitted with your application*. In addition, a copy of the scales syllabus (Royal Schools, Trinity, UNISA) must also be *submitted with your application*. No application will be accepted without these items attached.
 - Candidates are expected to provide their own accompanists where necessary.

An equally important criterion in the selection of scholars will be whether they have shown broad involvement and commitment to the music at their previous school, and whether they are likely to continue to contribute to the musical life of Bishops on a permanent basis during their years at the school.
