

BISHOPS HEALTH SERVICE

Bishops offers a 24-hour health service to Prep and College pupils. We have the services of a medical doctor, who consults on Monday, Wednesday, Thursday and Friday, as well as a physiotherapist on campus. The school nursing sister is based at the Sanatorium and is on call 24 hours a day during the term. In addition, a doctor will be on duty during rugby matches.

HEALTH RECORD CARD

It is essential to complete the Bishops Health Record Card, and hand it to Reception on his arrival at School. Please ensure that your telephone numbers and **medical aid details** are filled in.

S CHOLARS ' PERSONAL ACCIDENT INSURANCE AND MEDICAL AID

The Bishops Scholars' Personal Accident scheme covers your son for medical expenses for any injury sustained whilst at school or participating in school sports fixtures anywhere within South Africa. *Please note this is not a medical aid scheme and does not cover illness, medication, etc. All boarders must be registered on their parents' personal medical aid scheme, and hand their membership card or certificate to their House Director on arrival.*

VACCINATION AND IMMUNISATION

Poliomyelitis

Immunisation against Poliomyelitis is compulsory under the Public Health Act of 1919. Such immunisation is the responsibility of the parent, and the School takes no responsibility for any boy who has not been immunised. Please ensure, therefore, that your son has been properly immunised.

Diphtheria, Whooping Cough, Chicken Pox and Tetanus

Before your son comes to the School you are urgently requested to check that he has been immunised against Diphtheria, Whooping Cough, Tetanus. Immunisation against Diphtheria and Whooping Cough can be effected through a double-purpose course of injections, which if spread over the full prescribed period, will make the resulting immunity more effective. A booster Tetanus injection will be given by the School in the event of any injury requiring such an injection.

It is also recommended that pupils arrive having had **Hepatitis A & B** injections and an **MMR Booster**.

Influenza

The School offers immunisation against influenza to all boarders in April annually. Parents will be notified (to give their consent) beforehand.

MEDICAL AND DENTAL APPOINTMENTS

It will be of great assistance to the School if such appointments can be made after 15h30 so that work and any other school commitments are not interrupted.

MEDICAL EXAMINATIONS

All boarders will be medically examined by the School doctor when ill or injured, and parents will be notified by the School Sister where deemed necessary.
